

MD 212A (Powder Mill Road) from Pine Street to US 1 Public Meeting June 12, 2014

PRESENTATION BY:

**STATE HIGHWAY ADMINISTRATION
OHD – COMMUNITY DESIGN DIVISION**

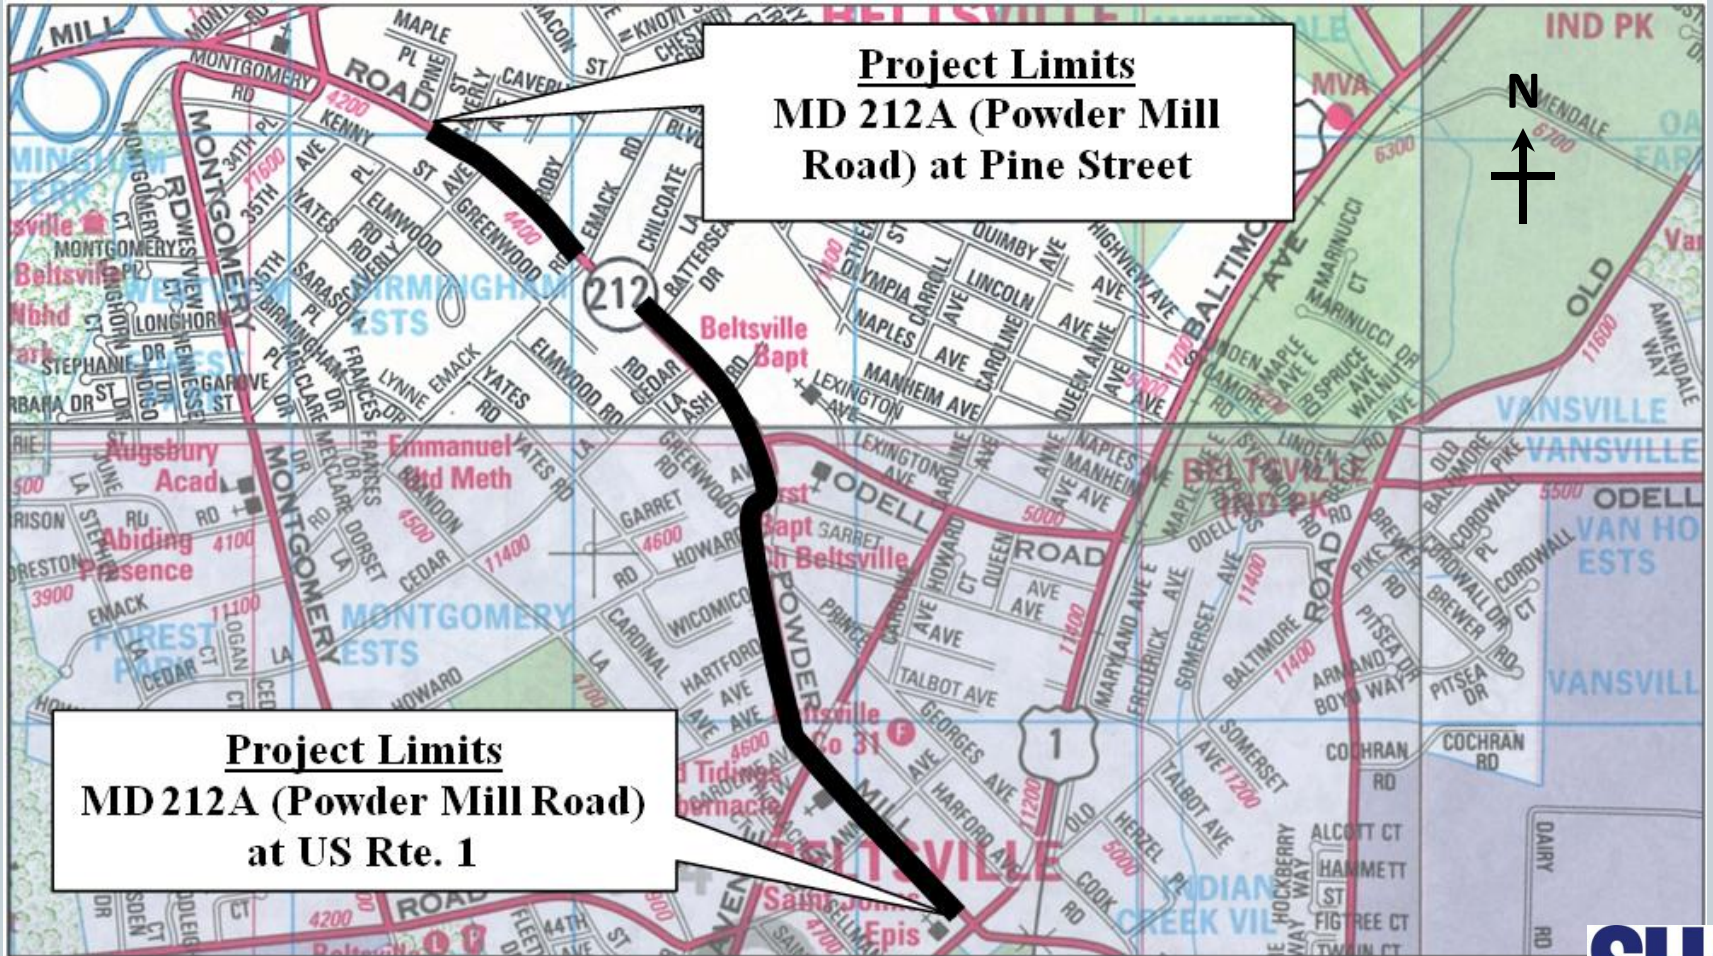

In This Presentation

- Location Map
- Project Overview
- Proposed Improvements
- Typical Sections
- Pedestrian/ADA/Bicycle
- Maintenance of Traffic (MOT)
- Current Progress
- Looking Ahead
- Questions

Location Map

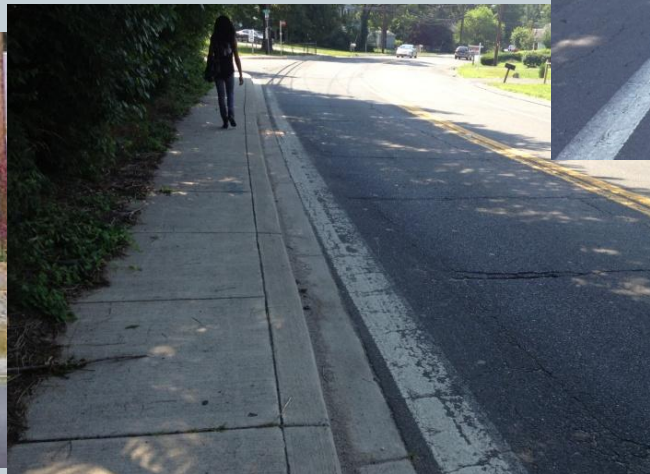

MD 212A (Powder Mill Road)

Project Overview

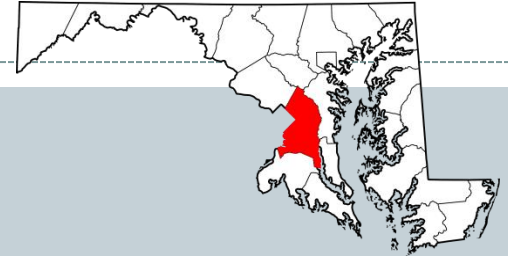

- Prince Georges Memorandum of Understanding (2002)
- The purpose of this project is to:
 - Improve traffic flow & safety
 - Enhance pedestrian safety
 - Provide Multimodal Access

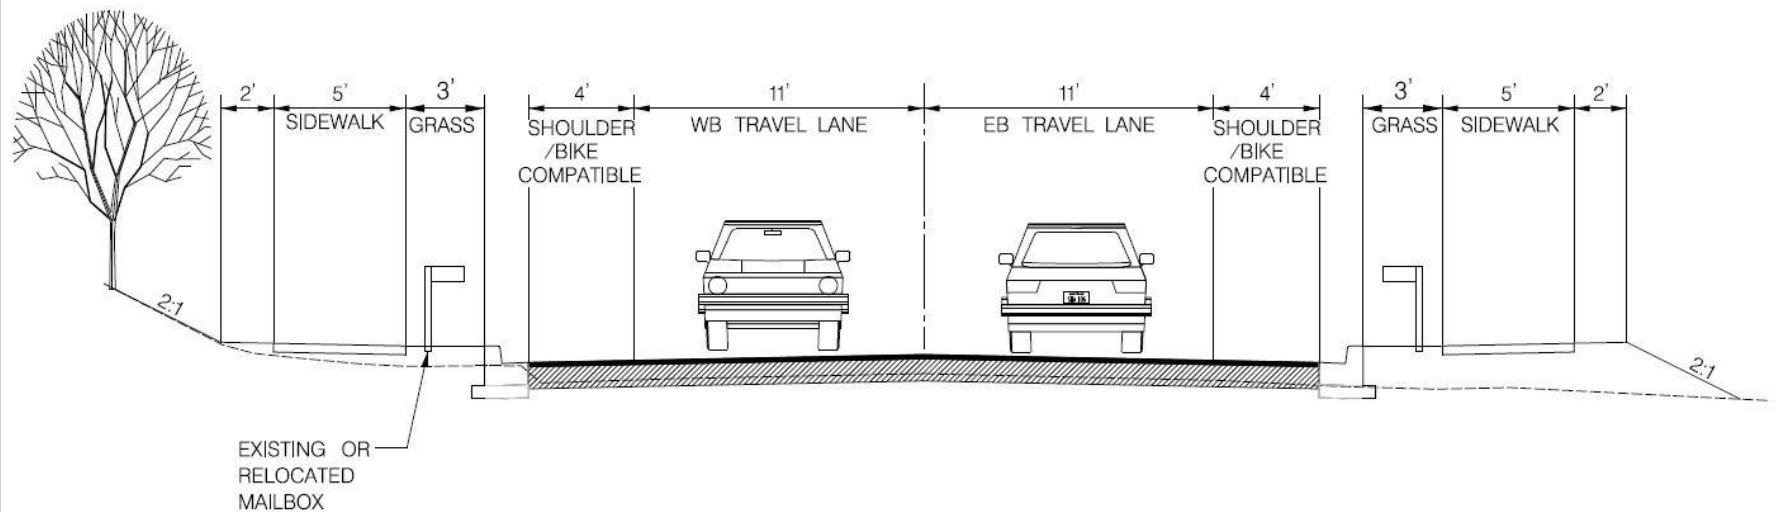

MD 212A (Powder Mill Road)

Proposed Improvements

- Overview of Design Elements:
 - 11-foot wide through lanes
 - 4-foot wide bicycle compatible shoulders and 1-foot wide offset to the curb
 - Upgrading and creating 5-foot wide sidewalks and ramps for ADA accessibility
 - Drainage improvements
 - Road resurfacing
 - Traffic, signing, marking, signal reconstruction with upgraded Accessible Pedestrian Signals
 - Utility relocations

Typical Section

MD 212A (Powder Mill Road)

Pedestrian/ADA/Bicycle

- 5-foot wide sidewalks
- Upgrade ramps
- Accessible Pedestrian Signals
- Bike compatible shoulders

MD 212A (Powder Mill Road)

Maintenance of Traffic (MOT)

- Maintain pedestrian access
- Reconstruction of driveways
- Public transportation (WMATA)
- Phases of construction

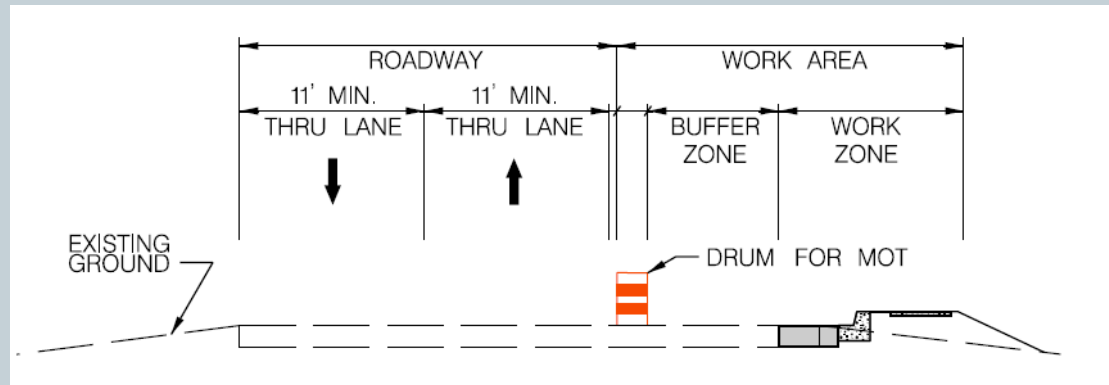

MD 212A (Powder Mill Road)

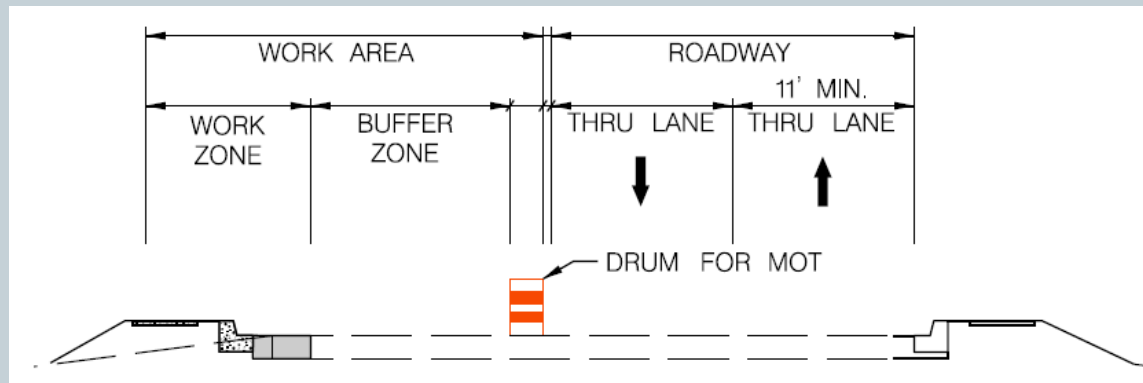

MOT – Cont.

- Phase 1- Construction of Southbound MD 212A

- Phase 2- Construction of Northbound MD 212A

MD 212A (Powder Mill Road)

Current Progress

- Roadway Design is approximately 40% complete
- Preliminary historical and archeological studies have been completed
- Investigating Stormwater Management options
- Evaluating Utility Impacts and identifying Right-of-Way needs.
- This project is fully funded for Design

Looking Ahead

- Upcoming Activities:

- Advertise to Contractors: Winter 2015
- Begin Construction: Summer 2016
- Open to Traffic Winter 2018/2019

*Schedule subject to change due to available funding

*As the design moves forward, additional public/community meeting(s) will be scheduled.
